*Graduation is very important to students in India and the neighboring island of Sri Lanka. I have attended many of them-but none like this one last month. Three Capstone board members were invited and spoke at the ceremony to a class of 28 graduates from Sri Lanka who completed the Capstone Bible Institute (CBI) first of three levels. During the program John Lowe, who is the Capstone director overseeing Sri Lanka, gave a message and Jess Enoch and I offered a few words of encouragement-**from our homes**. In this age of Covid, zoom has become the temporary norm.*

Each student wrote a brief note sharing how the study benefited them. The following are a few samples:

Praise the Lord!

As I'm christean Vijayakumaran. I'm happy to tell my testimony from my experience. My family members all are saved by God's grace when I was a kid. Through my family I was able to know about Jesus Christ. I was eager to learn about God's word. But I couldn't go to Bible College and learn about it, although through my brother I came to know about the Capstone Online Bible study.

Through this Bible study, I was able to know about Jesus Christ more and more. I learnt many new insights about the Bible. I thank for the teacher who have thought the Bible is an easy method. At last I thank God for giving me an opportunity to study this class and also congrats the new comers and the teachers who are going to teach in the future. Thank you!

For the last few months, by God's grace, I was able to understand all of the bible. With the help of the bible lessons that I had, all the unknown Bible knowledge that I didn't understand became understandable I wanted to say thank you, in Jesus name, for all the lectures, for whoever arranged all the classes. And also, all the technicians. May God bless you more and more God bless you.

Mr Kandeepan T. Thank you!

Please pray for the 79 active CBI teaching centers with 1225 students now established between the two countries. We ask God to call a number of those students to start home churches once complete. They urgently need protection from persecution which is increasing. We thank you for your support and prayers. God bless you .
