Thirty CBI pastors serving God in India, while suffering through the Covid pandemic, received financial support recently from Capstone Ministries. Copies of two of the many responses were selected to share with you:

Respected Sir,

I am G. Kavitha, wife of Pr. Solomon Goldbell. My husband was a graduate of South India Baptist Bible College. We have a son, Sam William (Age 18) studying first year in a college, and a daughter Selina Elizebeth (Age 15) doing her class 11 in a school. My husband has been doing God's work as a Pastor for more than 20 years in AyothiyaPattinam, Salem He had been conducting the Capstone classes also.

To our great shock and agony, I lost my husband due to the Covid19 related Cardiac Arrest he suffered on May 2021. We were thrown to despair at this dark incident. I suffered many days of sorrow and tears not knowing how I could run the family and help my children's studies. The burden of responsibility has fallen upon me. I know that our only hope is the Lord Himself and I cast all my cares upon Him according to Psalm 55:22. By grace He heard our prayers. To my great comfort and confidence, I received through you Rs. 200000 (2 lakhs) sent as a help from the Capstone Ministries. It was a great relief!

I am extremely thankful to you for this unforgettable and timely favor during the time of great anxiety. The Lord is good. I will ever be grateful for your prayers and this kind help. Thanking you! G. Kavitha

I greet you in the matchless Name of our Lord and Savior Jesus Christ. I am pastor Ravi Kodamachili, working in India part of Andhra Pradesh. Serving God in villages and starving some time food and place especially at this Pandemic season. We can't forget your help at the time of need, you stood beside of us to support, like Akula Priscilla. we dinn't have Sunday services many months with in this two years, our survival depend upon mostly what we receive on Sunday by offerings.As Bible says for Jews help come from anther way if not you Esther. Just same way God opened doors through you sir.

Lot of things to share with you sir what God has been doing in our ministry by His grace. The way He has been using us for the extension of His kingdom and to save lost souls for Christ.

I just humble before you sir, the love God being expressed by you. With lot of burdenful heart and with tears I write to you. Your labour is not in vain you have been investing your reward in eternity. With bottom of my heart I thank you and thanks to our Director Dr. P.D. Cherian for his Love toward us. If you have time wish us and encourage us and continue to pray for us as we are in Battle. Thank you so much.Yours faithfully,

Pastor kodamanchili.Ravi

*Matthew 25:37 Then the righteous will answer him, saying, 'Lord, when did we see you hungry and feed you, or thirsty and give you drink? 38 And when did we see you a stranger and welcome you, or naked and clothe you? 39 And when did we see you sick or in prison and visit you?' 40 And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brothers, you did it to me.'*

**It is from the generosity of you that donate prayers and funds to Capstone Ministries that we are able to offer support to the many in India that are suffering much greater loss and hardship than is reported by their government. The persecution of Christians has increased significantly as well. Our sisters and brothers in Christ are enduring trials on many levels. We appreciate your support and value your prayers. May God bless you richly.**
