Capstone Ministries is currently training 450 pastors in India (and numerous others in Africa and Mongolia) in what we refer to as Great Commission training. In Matthew 28 Christ instructed believers to “Go therefore and make disciples....teaching them to observe all that I have commanded you.” Please see our Capstone Bible Institute website (CBIin.org) for more details on the three level program. We are confident that this study will fully equip them to preach and teach of God’s holiness and His gift of love and His plan of salvation.

These pastors as well as many thousand others are under extreme persecution in India. It has been reported that “educated Hindu pundits” have formed “secret movements” to suppress any religious expression in India but Hinduism. These efforts are suspected to have reached to very high levels in the government. We have received first hand accounts of the persecution.

The following is their reported manifesto:

- RSS doctors have been appointed in each state to administer drugs to Christian patients “to weaken their bodies”.
- Instruction has been given to target Christian girls who are young, with the help of RSS youth, and gang rape them “to take away their dignity.”
- To burn all Christian Bibles, books and other literature.
- Ten million rupees will be given as reward to kill Christian religious leaders.
- Five hundred thousand rupees will be awarded in cash to kill psators, nuns or priests.
- To mix pesticides in drinking water of Christians to kill them.
- Every Christian will be given a barcode and a number. If it is not accepted they can not buy from local bazaars.

Please be in fervent prayer for our sisters and brothers in Christ in India.
