Capstone Ministries has been supporting a leper colony for a number of years. It is one of five leper villages in the country. As in Biblical times, lepers are isolated from the public as far as living quarters, but do travel to other cities and villages during the day, as needed.

(Upper left) It was a cold winter and blankets were worn out and scarce. Capstone supplied a new blanket for each person in need.

(Upper right) One of Capstone's board members, Jewel Birdwell who grew up in India as a child of missionaries, visited the village recently. She oversaw delivering Easter gifts for the children.

(Far right) Jewel with Capstone's director Santhosh Kumar and Biskott Sika, a pastor who ministers to the village a few times a week.

Prayer requests:

- For the people of the village.
- For Capstone discipleship/Bible Study centers in India, Sri Lanka and six countries in Africa.

Capstone Ministries wishes you a blessed Easter
